

QUALITY MANAGEMENT

Certified to ISO 9001 in May 2008

Our quality management system was assessed and certified to ISO 9001:2000 by Direct Assessment Services for the manufacture and supply of conveyor belts and rubber products.

The same discipline runs the plant today: written procedures, recorded tests and traceable batches, with a test certificate on every supply.

STANDARD	ISO 9001:2000
CERTIFIED BY	Direct Assessment Services
ISSUED	21 May 2008
CERTIFIED COMPANY	Bhandari Group (Boston Rubbers)
SCOPE	Manufacture and supply of conveyor belts, transmission rubber belts, V-belts and rubber parts

About this record

This certificate was issued in 2008 under ISO 9001:2000, an edition of the standard that has since been replaced. It is published here as the record of our certification and is not presented as a current certificate.

QUALITY TODAY

1

Made to a standard

IS 1891, DIN 22102 and ISO 14890

2

Tested in our lab

Tensile, elongation, abrasion, adhesion

3

Every roll tagged

Inspected for width and thickness

4

Certificate per supply

Results against the grade limits

Inspect before dispatch

You or your third party inspector can witness the measurements and lab tests at our plant in Jalandhar.
